# News For All Seasons

*I don't know where to begin... so I'll start off by saying "Thank You."*

*I'm sure most of you know I have retired from my position of manager of the Hamlin center. It was a very hard decision but it was time for things to change. Working with my seniors has been the most rewarding job I have ever had and it was not easy to leave. So I keep telling the seniors you can't get rid of me that easy 'cause I'll be only semi-retired. Officially I'm retired but not totally since I'll still be covering days when people need time off. So I might surprise you some day at any one of the three centers.*

*We had one heck of a great party to celebrate my moving on to new adventures. I want to thank everyone who has sent their love my way. The party was held on Friday, Oct. 14<sup>th</sup> at the newly remodeled R Place on 590 with almost 100 people in attendance. The night was full of music, food, fine spirits and fun. It was a beautiful way to end a great career. So again, Thank You, to everyone for everything.*

## HAMLIN NEWS

Happy Fall Everyone! I would like to take this opportunity to introduce myself. My name is Sunshine Bryan, and I am delighted to become a part of the staff for Wayne County Agency Area on Aging. With a grateful heart I would like to thank Debbie Birtel for her 18 years of committed service to the Hamlin Senior Center as the Center's Operator. Debbie has created a beautiful environment for her beloved seniors to spend time together and enjoy themselves. With great admiration, I have observed and learned a great deal from Debbie, her caring and dedication is very apparent, she puts a smile on the face of every senior at the center. Although they are sad to see her go, they have all wished her well on her recent retirement, and celebrated alongside of her.

I have been having a great time getting to know many of the wonderful people here at the Hamlin Senior Center. Everyone has been so warm and welcoming. If we have not yet met, please stop in and introduce yourself. I hope to see all of you at the upcoming Halloween Party on October 31<sup>st</sup> and Thanksgiving Celebration on November 17<sup>th</sup>.

There are certainly a lot of wonderful programs already happening here, and I am interested in finding out what other activities and events you would like to see happening. As your new Center Operator, I am dedicated to providing recreational, educational, and social opportunities to enrich the body, mind, and spirit in an open & accepting atmosphere. Please share your concerns and interests with me, so that I may better serve your needs. I truly hope that you take advantage of the opportunities, activities, and services we have to offer.

As the cooler weather creeps in, please remember to dress warmly. Dressing in layers & covering exposed skin will help avoid frostbite & hypothermia. Remember, your body temperature should never dip below 95 °.

Avoid a dangerous fall by wearing shoes with good traction and non-skid soles. Replace worn cane tips to make walking easier. Ice is not the only slipping hazard, wet leaves can often lead to injury.

Once again, I would like to express my immense appreciation to Debbie Birtel, for the amazing work she has done for the Hamlin Senior Center, I am honored that she shares her knowledge and experiences with me as I transition into this position.

Reminder: The Hamlin and Honesdale Senior Center will be CLOSED on November 8<sup>th</sup> due to being poll locations for voters. The Hawley Center will be open as usual, please make arrangements with transportation if needed to visit on this day. You may call the Hawley center to reserve a lunch, or let me know and I will be happy to call it in for you. Thank you all for the wonderful welcome, and I look forward to seeing you soon.

Daylight Saving Time 2016 ends on Sunday, November 6 at 2 a.m. Turn your clocks back one hour to 1 a.m.

Changing the clocks is always a good time to sync changing the batteries in your smoke / CO detectors. Fire safety officials recommend changing those batteries at least once a year and replacing the detectors every 10 years, even if they're hard-wired.

Through 2006, Daylight Saving Time in the U.S. ended a few days before Halloween. Children's pedestrian deaths are four times higher on Halloween than on any other night of the year. A new law to extend DST to the first Sunday in November took effect in 2007, with the purpose of providing trick-or-treaters more light and therefore more safety from traffic accidents. For decades, candy manufacturers lobbied for a Daylight Saving Time extension to Halloween, as many of the young trick-or-treaters gathering candy are not allowed out after dark, and thus an added hour of light means a big holiday treat for the candy industry. Anecdotally, the 2007 switch may not have had much effect, as it appeared that children simply waited until dark to go trick-or-treating.

## HAWLEY NEWS

The month of November brings us so close to the winter season. Snow, wind, slipping and sliding and also that back breaking snow shoveling. At least September and October have been kind to us (weather wise) so lets hope that trend continues as the season moves forward.

On Thursday, November 10th we will be honoring our Veteran's who gave so much of their lives for us to live and prosper in this free Country we call home. All centers will be closed on Friday November 11th for that soul purpose. That also reminds me of Thanksgiving. We will celebrate Turkey day on Thursday November 17th with all the traditional Thanksgiving fixings. We'll have a good time with friends, family and music as we enjoy this beautiful Autumn season. As usual we will be having our Thanksgiving GIVE-A-WAYS. Please let Lu know at least a week in advance so we can have enough food and prizes for everyone to enjoy. Andy Anderson will be joining us with his musical talents to play all the sounds of the season." Plan to see you there."

This months speaker is Janene Holter from the Attorney Generals Office on Friday November 4th starting at 10:30. Subject: Identity Theft.

We're looking forward to our Halloween party this year. We will have costume prizes for the scariest, cutest and weirdest costumes. We'll have pictures and names of the winners in next months bulletin. I would like to welcome Sunshine to the Hamlin Center. May she find it as rewarding as I have found it to be. All of us at the Hawley Senior Center would like to wish you a Happy, Healthy and peaceful Thanksgiving.

Our November Birthdays are: Gerri Joswick, Susan Baldin, Mary Ann Reynolds, Joan McGuirk, Barbara Wertz, Nancy Halpin, Lisa Goldsterin and Karen McGhee. Happy Birthday to all of you. May your special day be as "SPECIAL" as you are.

## ☺ Old Folks are Worth a Fortune ☺

*Old folks are worth a fortune with silver in their hair,  
gold in their teeth, stones in their kidneys, lead in their  
feet and gas in their stomachs.*

*I have become a lot more social with the passing of the  
years some might even call me a frivolous old gal. I'm  
seeing five gentlemen every day.*

*As soon as I wake, willpower helps me get out of bed,  
then I go see John, then Charley Horse comes along,  
and when he is here he takes a lot of my time and at-  
tention. When he leaves Arthur Ritis shows up and  
stays the rest of the day. He doesn't like to stay in one  
place very long, so he takes me from joint to joint. Af-  
ter such a busy day, I'm really tired and glad to go to  
bed with Ben Gay.*

*What a life.*

*P.S. The preacher came to call the other day. He said  
that at my age, I should be thinking about the hereaf-  
ter. I told him I do all the time, no matter where I am,  
in the parlor upstairs, in the kitchen or down in the  
basement, I ask myself now what am I here after.*

... SCAMS: PROTECT YOURSELF  
... PROTECT YOUR MONEY

---

## “Grandma” Scam

A senior citizen receives a phone call and a young voice says, “Hi Grandma (or Grandpa), it’s me.” In a moment of confusion, the grandparent answers this greeting with something like “Yes, Michael (or Sharon), its grandma, how are you? It has been so long since I’ve talked to you...”

The scam artist tells “grandma” about an emergency he or she may have fallen into – legal trouble in a foreign country, a medical emergency, or a lost/stolen wallet – and that grandma can help by wiring money to a faraway city. The caller will then swear “grandma” to secrecy: either there is “no sense worrying mom or dad” or “mom and dad will get angry if they know about the trouble I’m in.”

“Grandma” then wires hundreds or even thousands of dollars to the faraway city. Sometimes the scam continues for days or weeks, with follow-up calls explaining that for whatever reason, the first wire transfer did not contain enough money and the “grandchild” needs more money wired immediately. Once the wire transfer is completed, this money cannot be recovered.

### Protect Yourself

If you get this phone call, check it out with your grandchild’s parents before you decide to help someone claiming to be a family member or friend. If they are really your family member, your grandchild will understand your need to verify the information you are being given.

Ask the caller questions that only they would know and that are not easily obtainable. Ask about their birthdate or school they attend – or ask them what they got for Christmas from you last year, or ask them to give you the name of the pet cat or dog you have had for as long as they can remember.

Scammers will play on your emotions and push you to act quickly, but there are few faraway emergencies that really require you to act immediately.

Be careful about personal information you post on social media sites like Facebook or Twitter. Sometimes this is just enough information to help a scam artist convince you that they know you.

If you believe you have fallen victim to this or any other scam, contact the Pennsylvania Office of Attorney General, the Federal Trade Commission or your local law enforcement.

This also applies to Medicare Advantage plans, which are the “Golds” or “Classics” and operate as PPOs or HMOs. If you are a PACE cardholder, you will follow their instructions.
